MEDIMPACT HEALTHCARE SYSTEMS,	)	CASE NO.: 08-CV-0421-JAH-POR
	)	Complaint Filed: March 5, 2008
Plaintiff,	)	
	)	<b>ANSWER</b>
vs.	)	
	)	
PROCARE RX, a Georgia Corporation; and	)	
DANIELLE TAYNAI, an individual,	)	
	)	
Defendants.	)	

Come now Burgess Information Systems, Inc. ("BIS"), which sometimes does business as ProCare Rx ("ProCare"), and show the Court the following in Answer and Defense to the Complaint herein:

**ANSWER AND FIRST DEFENSE**

In answer and as a first defense, BIS respond to the numbered paragraphs of the Complaint as follows:

1. BIS admits the allegations of paragraph 1.
2. In response to paragraph 2, BIS denies that ProCare Rx is a corporation or other entity organized under the laws of the State of Georgia or, to the knowledge of BIS, any other state. BIS admits that, from time to time, it does business under the d/b/a ProCare Rx. BIS is also aware that other entities engaged in the pharmaceutical

1 industry also do business under the name "ProCare Rx." BIS denies that the Plaintiff  
2 could have formed a good faith belief regarding the allegation that ProCare Rx is a  
3 corporation organized and existing under Georgia because a simple search of publicly  
4 available online records maintained by the Georgia Secretary of State does not  
5 support that allegation. BIS denies the remaining allegations of paragraph 2 of the  
6 Complaint. Out of an abundance of caution and reserving all objections to subject  
7 matter and personal jurisdiction, venue, process and service of process, BIS, which  
8 employed Defendant Danielle Taynai in Norcross, Georgia, for less than thirty days  
9 following her resignation from employment with the Plaintiff, submits a response to  
10 the numbered paragraphs of the Complaint and states the affirmative defenses  
11 enumerated below.

- 12 3. BIS is without knowledge to form a belief as the truth or falsity of the allegations  
13 regarding the current residence of Danielle Taynai.
- 14 4. BIS is without knowledge sufficient to form a belief as the truth or falsity of any  
15 allegations regarding any subjective belief of the Plaintiff. BIS denies the remaining  
16 allegations of paragraph 4 of the Complaint.
- 17 5. BIS denies the allegations of paragraph 5 of the Complaint to the extent that such  
18 allegations allege actual or implied agency relationships or the authority of any  
19 individual or entity to act on behalf of another individual or entity.
- 20 6. BIS is without knowledge sufficient to form a belief as the truth or falsity of the  
21 allegations of paragraph 6.
- 22 7. BIS is without knowledge sufficient to form a belief as the truth or falsity of the  
23 allegations of paragraph 7.
- 24 8. BIS admits that, after it hired Defendant Taynai, Plaintiff supplied BIS with a  
25 purported agreement that includes the language quoted in paragraph 8. BIS is without  
26 knowledge sufficient to form a belief as the truth or falsity of the remaining  
27 allegations of paragraph 8.
- 28 9. BIS admits that, after it hired Defendant Taynai, Plaintiff supplied BIS with a

1 purported agreement that includes the language quoted in paragraph 9. BIS is without  
2 knowledge sufficient to form a belief as the truth or falsity of the remaining  
3 allegations of paragraph 9.

4 10. In response to paragraph 10, BIS admits that employed Defendant Taynai in February,  
5 2008. In further response, BIS shows that it terminated the employment of Defendant  
6 Taynai on March 7, 2008. BIS is without knowledge sufficient to form a belief as the  
7 truth or falsity of the remaining allegations of paragraph 10.

8 11. BIS is without knowledge sufficient to form a belief as the truth or falsity of the  
9 allegations of paragraph 11.

10 12. In response to paragraph 12 of the Complaint, BIS denies that Defendant Taynai  
11 shared Plaintiff's proprietary information with BIS and denies that BIS requested  
12 Defendant Taynai to provide BIS with any such information. BIS admits that, after  
13 receiving notice from Plaintiff, it learned that Defendant Taynai had made requests of  
14 MedImpact employees for MedImpact customer data and that BIS terminated the  
15 employment of Defendant Taynai after learning of that request. BIS is without  
16 knowledge sufficient to form a belief as the truth or falsity of the remaining  
17 allegations of paragraph 12.

18 13. In response to paragraph 13, BIS admits that Plaintiff has demanded that ProCare Rx  
19 not use any confidential information of Plaintiff. In further response, BIS denies that  
20 it either has or has used any confidential information of Plaintiff. BIS is without  
21 knowledge sufficient to form a belief as the truth or falsity of the remaining  
22 allegations of paragraph 13.

23 14. BIS denies the allegations of paragraph 14.

24 15. BIS denies the allegations of paragraph 15.

25 16. In response to paragraph 16, BIS restates its responses to paragraphs 1 through 15  
26 thereof.

27 17. In response to paragraph 17, BIS denies that all of the information described in  
28 paragraph 17 is confidential, proprietary or not known to the general public or the

1 managed pharmacy benefits industry. BIS is without knowledge sufficient to form a  
2 belief as the truth or falsity of the remaining allegations of paragraph 17.

3 18. BIS is without knowledge sufficient to form a belief as the truth or falsity of the  
4 remaining allegations of paragraph 18.

5 19. In response to paragraph 19, BIS denies that Defendant Taynai provided BIS with any  
6 proprietary or confidential information of Plaintiff or that BIS has misappropriated  
7 any such information of Plaintiff. BIS admits that Defendant Taynai provided Dr.  
8 Javier Gonzalez and employee of BIS, with the name and phone number of Kymberly  
9 Perez, an employee of Amerisource Bergen, which information is not confidential  
10 information of the Plaintiff regardless of how such information was obtained by either  
11 Plaintiff or Defendant Tanyai. BIS is without knowledge sufficient to form a belief as  
12 the truth or falsity of any allegations regarding any subjective belief of the Plaintiff,  
13 including any subject belief about icebergs. BIS denies the remaining allegations of  
14 paragraph 19.

15 20. In response to paragraph 20, BIS denies that Defendant Taynai provided BIS with any  
16 proprietary or confidential information of Plaintiff or that BIS has misappropriated  
17 any such information of Plaintiff. In further response BIS show that it required  
18 Defendant Taynai to certify that it would not provide BIS with any proprietary or  
19 confidential information of Plaintiff. BIS is without knowledge sufficient to form a  
20 belief as the truth or falsity of any allegations regarding any subjective belief of the  
21 Plaintiff. BIS denies the remaining allegations of paragraph 20.

22 21. BIS denies the allegations of paragraph 21.

23 22. BIS denies the allegations of paragraph 22.
